

The Journals of Quadrant HealthCom Inc.

Quadrant HealthCom is a multimedia communications company specializing in the health care market. Its medical journals, affiliated websites and custom publishing programs reach more than 650,000 health care professionals in the United States.

The American Journal of Orthopedics®

Empowering Clinical Practice With Research and Expert Opinion

Valued by orthopedic surgeons for its peer-reviewed, practice-oriented innovative clinical information. Most articles are written by specialists at leading teaching institutions and incorporate the latest technology into everyday practice. Referenced in Index Medicus/MEDLINE. Circulation: 29,500. www.amjorthopedics.com

Current Psychiatry® **The Leading Clinical Review Publication Serving Psychiatrists**

Provides the psychiatric practitioner with peer-reviewed, practical advice by leading authorities, emphasizing solutions to common clinical problems. Articles are solicited by an independent editorial board, and edited by a staff of professional medical journalists. *Current Psychiatry* articles undergo reader testing and peer review before publication. Circulation: 39,600. www.currentpsychiatry.com

Clinician Reviews® **Blending Clinical Content with Emerging Professional News for the NP/PA**

Celebrating 20 years of excellence, this peer-reviewed tabloid is dedicated to keeping the ever-growing nurse practitioner and physician assistant professions up to date on the latest advances in clinical medicine and professional news. Each issue contains accredited CE activity, summaries of major medical studies, and interactive case studies. Included quarterly, *Convenient Care*® addresses the unique and expanding retail care environment. Circulation: 125,200. www.clinicianreviews.com

Cutis® **Breaking the Surface of Cutaneous Medicine: Patient Care That Is Skin Deep**

A peer-reviewed journal written and edited by industry leaders in dermatology. Concise clinical articles present the practical side of dermatology and are of interest to readers. Referenced in Index Medicus/MEDLINE. *Cutis* offers CME in every issue. Circulation: 33,100. www.cutis.com

Cosmetic Dermatology® **The Art and Science of Cosmetic Repair and Rejuvenation**

Clinical, peer-reviewed editorial coverage of cosmetic procedures and appearance-related conditions. Valuable content including original studies, case reports, review articles, and monthly columns. Referenced in EMBASE. Circulation: 14,100. www.cosderm.com

Emergency Medicine® **On the Front Line of Patient Care**

The only peer-reviewed practice journal in the emergency medicine market. Practical, hands-on content with a unique focus on common emergent and urgent conditions. This journal reaches office-based and hospital-based medical physicians in emergency medicine (including residents), pediatric emergency medicine, and the growing market of urgent care physicians. Circulation: 34,000. www.emedmag.com

Federal Practitioner™
The Authority on Federal Health Care for Those Who Serve the Nation
 The premier clinical publication reaching the entire federal health care marketplace, including the Department of Veterans Affairs, Department of Defense and Public Health Service. Provides practical, reader-friendly, peer-reviewed, clinical information to physicians, pharmacists, physician assistants, nurse practitioners, and medical center administrators in the federal government. Circulation: 35,000 www.fedprac.com

Neurology Reviews®
The Original Leader in Breaking News and Meeting Coverage
 A clinical news publication with concise news articles and timely department features keeps specialists and high-prescribing nonspecialists informed of the latest news and information affecting their practice. Our staff of medical journalists cover major medical conferences and monitor the peer review literature to report the latest research findings in neurology. Circulation: 18,500. www.neurologyreviews.com

The Female Patient®
Realizing the Potential of the Female Health Market
 Guided by a renowned editorial board and double-blind peer-review process, the journal publishes timely, practical, thought-provoking clinical content. *The Female Patient®* educates health care professionals about diagnosis, treatment, and ongoing disease management of conditions that affect women. It circulates to Ob/Gyns, primary care physicians, and nurse practitioners. Circulation: 61,000. www.femalepatient.com

OBG Management®
The Voice of Leaders, The Choice of Readers.
 Provides specialty-specific patient care and practice management information to help Ob/Gyns make sound professional decisions. Topics covered include surgical and diagnostic techniques, standards of care, new technologies, reducing malpractice risk, reimbursement, patient management and more. Circulation: 39,400. www.obgmanagement.com

The Journal of Family Practice®
 A peer-reviewed and indexed journal that publishes evidence-based clinical information supplemented by expert commentary on timely topics relevant to family physicians. Each issue includes review articles, Priority Updates from the Research Literature (PURLS®), and other brief features that keep practitioners up to date on the most current recommendations for diagnosis and treatment of common problems. Circulation: 95,000. www.jfponline.com

Physicians' Travel & Meeting Network™
Event Media Strategies and Solutions
 A portfolio of custom print and online products designed to extend brand recognition at medical meetings and drive exhibitor traffic. Included in the portfolio are Meeting Previews, Meeting Postviews, City Guides, Meeting Pocket Planners, Meeting Directories, Digital Specialty Editions and cmeplanner.com, a website providing physicians with travel information and the most comprehensive searchable medical meeting database in the country. www.cmeplanner.com

Mayo Clinic Proceedings®
 A peer-reviewed and indexed journal, sponsored by Mayo Clinic and authored by physicians worldwide, publishes original articles, reviews, and editorials of interest to physicians primarily in the practice of internal medicine, cardiology and oncology. Circulation: 124,100. www.mayoclinicproceedings.com

Pulmonary Reviews®
The Original Resource Delivering Clinical News
 Covers the latest news and information affecting physicians who specialize in pulmonary and/or critical care medicine. Provides cutting-edge information on disorders that affect the lungs and respiratory tract. Reports from national medical conferences, expert interviews, and concise summaries of findings in the peer review literature are major features in every issue. Circulation: 13,700. www.pulmonaryreviews.com
